AUGUST 2008

## Staff Follies and Heartfelt Goodbyes

This morning showcased the amazing talents of Banner's staff members. Banner's own version of "So You Think You Can Dance" allowed the Banner staff the opportunity to perform for the entire camp. Campers cheered on their counselors as they boogied to the beat in colorful costumes. Everyone took one final dip in the pool to end Summer 2008 with a splash. Senior and Tween campers who participated in the competitive sports league had the opportunity to participate in a final game. Groups soared to new heights on the bungee trampoline and took a final lap in the dune buggies. The day ended with a good-bye party for each group to celebrate the success of the summer. Each camper was awarded a trophy for their amazing talents, hard work, and active participation all summer long. As the busses rolled away for the last time in 2008, everyone was sad to see the summer fly by so quickly. We can't wait for Banner 2009. We hope to see you all again next summer! Thank you for helping to make this the best summer yet. We love you!
