

The Gene Ezersky Camp Safety College Touro University International Summer Leadership/Study Program– Summer 2008

Touro University is fully accredited by the Middle States Commission on Higher Education.

The Gene Ezersky Camp Safety College and Touro University International Summer Leadership/Study Program is open to college students who have at least completed their Freshman year at accredited colleges and are in good standing. Under the supervision of the Certified Camp Safety Director, the applicant must complete a prescribed course of work as detailed below. After satisfactory completion, Touro University International will award four elective credits and send documentation of same to the Home College. The cost of the Leadership/Study program is \$300.

Camp Leadership/Study Requirements

- Three (3) safety goals are to be established by the student and the Camp Safety Director, which must be approved by the Dean of The Gene Ezersky Camp Safety College..
- Five (5) safety articles from an assigned bibliography of safety magazines and/or journals must be read and summarized.
- One (1) three page paper of approximately 1000 words must be completed.
 Select (a), (b), or (c) below:
 - a. A description of the three (3) original goals and why they were selected.
 - b. A short and long term plan to address the original three (3) goals.
 - c. Discuss ways to insure safety within a camp setting.
- Weekly meetings with the Camp Safety Director.
- Successful completion of the summer camp season.

Faculty at Gene Ezersky Safety College Camps
