

THE AMAZING RATES FOR THE SUMMER OF 2008 ARE ON THEIR WAY

Now is the time to consider saving a place in a group for next summer. Our Amazing Rates are now in effect and they will give you the lowest tuition possible for the SUMMER OF 2008. In addition, we have created a new camp enrollment form for your convenience, which is easier to complete. Once you receive your package in the mail, we strongly recommend sending back the enrollment form(s) with your deposit for each camper. Many parents were disappointed this summer because their child was either closed out of a camp or travel group or were unable to secure transportation to and from camp. Our camp groups were closed the earliest they ever were in our 48 year history. For that reason we urge you not to wait. We never like to turn campers away, however, when a group reaches its optimum size, we have no choice but to close it. Please call our office at any time if you have any questions or concerns. We are always eager to help you.
