

June 2007

Dear Park Shore Parents and Campers,

We are extremely happy and overjoyed with the huge success experienced during our first week at Park Shore. The many smiles, laughter, renewal of old friends and the beginning of new have been a rewarding start to "Camp 2007."

Monday is Crazy Hat Day and is one of our favorite days. Watching counselors and campers arrive in their wildest and most outrageous "Crazy Hats" always gives us a hearty chuckle. This year we have prizes for the most creative and unusual hats that parade through our orchard.

On Tuesday, we will start off with campers and counselors catching the spirit. Anticipation for our "Super Hero Parade" can be felt throughout the grounds of Park Shore. This year we have new characters that will add fun and excitement to our show! Our finale is sure to entertain children of all ages!

Enjoy your Wednesday off for the 4th of July. Do not stay up to late watching fireworks because on Thursday your favorite Super Heroes will be waiting to serve you a star spangled surprise dessert.

Wacky Hair Day will be a very exciting and entertaining day. This unique activity will help us finish our second week. Just when we thought we've seen it all a genuine one of a kind creation always entralls us with styles and uniqueness that keep Wacky Hair Day on our schedule. To top it off we will end our day with a magical surprise. David Levitan who has mystified and entertained children for years will keep us wondering and amazed with his magical mastery.

Sincerely,
